Dear Sir/Mdm,

CRIME PREVENTION ADVISORY FOR THE YEAR END FESTIVE SEASON

The year-end festive season is approaching. This period is an opportune time for criminals to commit theft or theft related offences due to large crowds in shopping malls, commit housebreaking during the closure of commercial premises as well as opportunistic crime such as outrage of modesty and pickpocketing. Commercial premise owners are advised to inform the shop/restaurant owners and other tenants to take precautionary measures such as not to keep cash or valuables inside the shop and install CCTVs where possible.

2 The Police would like to reiterate the importance for our stakeholders to remain vigilant against possible crime and security threats to their premises. Should premise owners and operators detect any suspicious activity in the vicinity of their premises, they are advised to contact our Police hotline at **1800-255 0000** or dial **'999'** for urgent assistance.

3 Please disseminate this advisory to all your security staff and any relevant stakeholders so that everyone can play their part in crime prevention. They can also download the latest crime advisories and neighbourhood crime situation via our Police@SG mobile application.

4 Together, we can make our community a safe and secure one for all.

Yours sincerely,

CRIME CONTROL DIVISION
